509 Olive Way #303 Seattle, WA 98101 | 206.900.9800

**Model - Actor**

I've worked quite a few different jobs, as well as done volunteer work with adults and kids. I'm a very powerful presence and I'm always looking for something to challenge me. I'm constantly producing art, both visual, audio, and writing everyday to build my portfolio, practice and further my progress towards the career I am striving for! I am a creative at heart with a million ideas!

## Plays/Performances:

None yet!

## Training:

In acting, I am entirely self taught. Everyday, for multiple years, I practice one-on-one improvisation acting with my fiance to explore character dynamic and the natural progression of emotion. We give each other feedback and often record our performances for review. I have been voice acting and recording myself for years in an effort to better grasp this talent, as well. I am confident in what I do and motivated to keep expanding my knowledge and better my acting.
